

# Research Group

Ambience,  
work domain  
constraints

Stress from other responsibilities, not enough advance time to schedule room so process is rushed. Only allowed to schedule for certain rooms, not all campus rooms.

I want to be able to easily schedule a room

I want to have priority for my meeting or classes

System Users

Students

Faculty

Manager/Room Scheduler

Provide me with enough details to schedule a room

Contact me well in advance to get a room scheduled

I don't want to get kicked out of a room I reserved.

Allow us to schedule a room quickly

Be available to schedule a room

-I want to be able to schedule rooms efficiently  
-I want to be able to view all available rooms  
-I want to have a central scheduler in control of all rooms on campus
