Unresolved Override Request

First Last

Room: Conference Room 110

*Existing Reservation:*User: FacultyType: Extra CurricularPriority: ● MediumDescription:

There are many ways to request a reservation override. The first step is to log in to the system and navigate to the 'Unresolved Override Request' page. From there, you can select the reservation you want to override and click on the 'Request Override' button. This will take you to a page where you can enter the details of your request, including the user, type, priority, and description. Once you have entered all the necessary information, you can click on the 'Submit' button to send your request to the system. The system will then process your request and notify you of the outcome.

*New Reservation:*User: StudentType: AcademicPriority: ● HighDescription:

There are many ways to request a reservation override. The first step is to log in to the system and navigate to the 'Unresolved Override Request' page. From there, you can select the reservation you want to override and click on the 'Request Override' button. This will take you to a page where you can enter the details of your request, including the user, type, priority, and description. Once you have entered all the necessary information, you can click on the 'Submit' button to send your request to the system. The system will then process your request and notify you of the outcome.

Do you allow this override?

No, keep existing reservation.

Yes, allow override
